

OUR MISSION

Talmud Torah V'Ha'arev Na's mission is to educate children toward living an inspired life, connecting to the beauty of Torah, and fulfilling their personal tefikid as a proud member of Am Yisrael. Our leadership and staff strive to give students the tools to develop a lifelong relationship with Hashem, His people, and His land. We aim to inculcate each student with a foundational sense of trust in himself, awareness of his inherent abilities, and enthusiasm for Torah that will guide his learning, decisions, and interactions throughout life. We focus on developing the child as an individual while broadening his identity as a valuable part of Klal Yisrael and contributing member of greater society.

OUR VISION

- An *education* that delivers academic excellence, social-emotional development, and character refinement, preparing students for continued educational success and advancement in life
- A *school* which nurtures each child's personal connection to Hashem, lifelong commitment to Torah and kiyum hamitzvos, and pride in his place in Klal Yisrael and society
- A *community* which embraces a mindset of collaboration, encourages appreciation of others, and engenders a sense of belonging

OUR CORE VALUES

V'Ha'arev Na es Divrei Torasecha:

- We imbue children with the sweetness and joy of Torah as a wellspring for an inspired life
- We nurture each child's discovery of personal fulfillment and meaning through Torah learning

Chanoch L'Naar Al Pi Darcho:

- We cultivate a healthy self-esteem and a strong sense of self-efficacy in each child
- We tailor our curriculum toward a diversity of learning styles, talents, abilities, and interests

Derech Eretz Kadma L'Torah:

- We live the example that middos and derech eretz are intrinsic to a robust Torah life
- We encourage kindness bein adam l'chaveiro and bein adam l'atzmo
- We highlight and appreciate the inherent value of every person

Kedushas Eretz Yisrael:

- We express appreciation for the gift of Eretz Yisrael and the daily miracles Hashem performs for us
- We foster a sense of belonging in and gratitude toward our country

Academic Excellence:

- We maintain the highest standards for comprehensive elementary level Kodesh and Chol education
- We transmit breadth and depth of knowledge coupled with competence in independent learning
- We instill core skills for lifelong success: critical thinking, logic and reasoning, broadened perspective, and effective communication skills

School/Parent Partnership:

- We recognize that chinuch habanim is accomplished through a combination of efforts at home and at school, and encourage a congruence between the two environments

- We value strong partnership between administration, faculty, and parents to facilitate personal development and maximize individual achievement of each student
