

JReady: The Jewish Agency's Online Resource Center for Community Resilience

The COVID-19 pandemic has inflicted unprecedented hardship on every one of our global communities. For the first time in decades, Jewish communities everywhere are confronted with a shared challenge. In response to the current crisis, and in readiness for future emergencies that may arise, key organizations in Israel and across the world have mobilized to establish JReady - a platform for emergency preparedness, support, and relief for Jewish professionals.

Key Services

Tool Kit

Contribute and access technological solutions, applications, management tools and more.

Expert Consultation

Share your expertise and gain access to leading professionals from a variety of fields.

Best Practices

Propose new content or access protocols and procedures implemented in other communities.

Webinars

Lead, share or participate in webinars focusing on the most prominent issues of the time - enrich your knowledge and present your expertise.

Innovation Arena

A space for entrepreneurs and investors. Share your cutting-edge technologies and gain exposure to potential partners and investors.

Online Forum

Connect with community leaders and professionals, learn from the experience of others, and implement joint solutions.

Our Global Reach

- Dozens of communities • Building resilience infrastructure
- Training local partners and professionals

JReady facilitated online training for professionals from Mexico and Peru, focusing on trauma response and community resilience.

JReady guided the Jewish Community in Cape Town in implementing a mobile application to facilitate local food distribution to struggling families.

JReady, together with Tel Aviv University, ran a course for professionals in South Africa and Israel, providing tools for crisis management, trauma response, volunteering, and more.

JReady's advisory committee is headed by former Member of Knesset, Ayelet Nahmias Verbin, and was developed by The Jewish Agency in collaboration with local and global experts in the fields of crisis management and emergency response.

We invite you to become a part of this important initiative, ensuring the future resilience of our global Jewish communities.
