

Benjamin Seet

benseetmd@gmail.com

I am a Singaporean with a B(A) and M(A) in Political Science. I recently left a PhD program in Political Science at the Ohio State University.

Synopsis

- Master's Degree in Political Science
- Mathematical and Quantitative Skills

Education

AUGUST 2015-AUGUST 2018

PhD Student / The Ohio State University

My coursework involved statistical analysis, game theory, political philosophy, and general theories of international relations. I have learnt to be conversant in LaTeX, and the statistical software, R. I planned to write a dissertation on dis cohesion in military operations, drawing on ideas from physics and mathematics that I picked up on my own.

AUGUST 2013-AUGUST 2015

M.Soc.Sci (Political Science) / National University of Singapore

I attained a GPA of 4.90 out of 5 in my coursework.

MAY 2009-DECEMBER 2012

B.Soc.Sci (Political Science)/ National University of Singapore

I attained a GPA of 4.41 out of 5 in my coursework, graduating with Second (Upper) Class Honours.

Teaching Experience

JANUARY 2014-MAY 2014

Teaching Assistant (Political Inquiry)/National University of Singapore

I was a teaching assistant for a module titled Political Inquiry. This taught research methods to undergraduates.

AUGUST 2014-MAY 2015

Teaching Assistant (Global Political Economy)/National University of Singapore

I was a teaching assistant for a module titled Global Political Economy. This module focused on the especially thorny ethical issues surrounding global capitalism in general, and global supply chains in particular.

AUGUST 2016-DECEMBER 2016, AUGUST 2017-DECEMBER 2017

Teaching Assistant (Theories of International Relations)/The Ohio State University

I was a teaching assistant for a class introducing theories of international relations to undergraduates.

JANUARY 2017-MAY 2017

Teaching Assistant (Political Theories of Freedom)/The Ohio State University

I was a teaching assistant for this class exploring the theme of freedom in political philosophy. This class covered a range of thinkers including Plato, Aristotle, Machiavelli and Sartre.
