Brian Garcia
48 Beverly Glen Blvd
Scarborough ON M1W 1W2

Dear Brian:

On your resignation from your employment with the Toronto District School Board, please accept my appreciation for your service to public education and the students of this city.

 You had the uncanny ability to take students, who were not strong academically nor gifted with athletic ability, and "turn them on" to technology. Many students owe their present vocation to you.   You worked in three Scarborough schools and they all profited from your computer expertise.

I expect your decision to pursue other life opportunities raised several emotions. Among those emotions, I trust, was a sense of satisfaction and joy related to the work you have done on behalf of public school students.

My very best wishes to you as you pursue new endeavours.

Yours sincerely,

Marguerite Jackson
Director of Education
