Translator and Expert in Hebrew Literature

For many years, the study of ancient and modern texts and their decryption have always fascinated me, and all my missions have been eternal challenges. My students and friends appreciate my broad spectrum of knowledge, because it is transversal. Analytical skills and the ability to quickly grasp facts are a vital necessity for me.

Technical skills

Documentary research 
Aramaic translation 
Hebrew terminology 
Written expression 
Multi-language office pack 

General skills

Master's degree in ancient Jewish culture 
Biblical & Talmudic literature 
Adaptation to different subjects 
Autonomy 
Quick understanding
