

ABOUT ME

I enjoy helping writers express their ideas clearly and fluently. I specialize in the social sciences and humanities, especially philosophy; I am also interested in (plant-based) food, sustainability and animal welfare.

I'm an Intermediate Member of the Chartered Institute of Editing and Proofreading.

"Bianca and I have worked together for several years. She has been incredible in helping me prepare my academic publications, for her rigor, her philosophical insight, her punctuality, and, even more importantly, the encouragement she gave me while giving her professional opinion on my work. ... Absolutely recommended! Honestly, the best editor I have encountered on my path so far!"
