

Dr. Masoud Mohammadnezhad (BSc, MSc, PhD)

Associate Professor, Public Health

Program Director, Public Health (Health Promotion)

Course Leader, MPH Thesis

Chairman, School Research Committee

School of Public Health & Primary Health Care

College of Medicine, Nursing & Health Sciences

Fiji National University

Phone: (+679) 3233502 Ext: 3817 | Fax: (+679) 3233919 | Mobile: (+679) 9726127

E-mail: masoud.m@fnu.ac.fj and masraqo@hotmail.com

Date of Birth: 23rd June 1974

Education History

- 1996-1999 **BSc.** in Community Public Health Nursing.
Iran University of Medical Sciences, Iran
- 2000-2002 **MSc.** in Health Education and Health Promotion.
Tarbiat Modarres University, Iran
Thesis Title: Effectiveness of a Health Promotion Intervention on Reducing Head Lice Infestation Among Primary School Children in Iran: A Quasi Randomized Control study
- 2010-2014 **Ph.D.** in Public Health
Flinders University, Adelaide, Australia
Thesis Title: Influences on Smoking Among Greek-Australians Aged 50 and Over: A Mixed-Method Study.

Employment History

- 2002-2007 **Lecturer**, Kermanshah University of Medical Sciences, Iran
- 2002-2007 **Lecturer**, Kermanshah Islamic Azad University, Iran
- 2004-2005 **Lecturer**, Kermanshah Imam Hossein University, Iran
- 2007-2010 **Lecturer**, Rode Hen Islamic Azad University, Iran
- 2010-2014 **Private tutor**, Flinders University, Australia
- 2014-2015 **Assistant Professor**, Tehran University of Medical Sciences, Iran
- 2015-Now **Associate Professor**, Fiji National University, Fiji
- 2021 **Faculty, UNICAFE** (University Malawi, University Zambia and University of Suffolk, UK)

Teaching History

2018 Chairman, World Congress on Nursing & Healthcare, Jun 25-26, Kuala Lumpur, Malaysia.
2019 Member, Scientific committee, IUHPE World Conference on Health Promotion, New Zealand.
2019 Member, Scientific committee, Pacific Islands Health Research (PIHR) Symposium, Fiji.
2021 Member, Council of Academic Public Health Institutions Australasia (CAPHIA)
2021 Chairman, Health Systems & RMNCAH session, Pacific Islands Health Research (PIHR) Symposium, Fiji.

Research Interests

- Social and behavioral epidemiology
- Non communicable diseases (NCDs)
- Population-based research
- Social and behavioral epidemiology
- Behavioral Change Models and Theories
- Health interventions and evaluation
- Cross-cultural health issues

Principal Supervisor- PhD Thesis (Ongoing)

2020 Avendra Kumar Prakash (PhD student in Public Health, Fiji National University, Fiji)
Title: Promoting physical activity among Fijian adolescents using smartphone technology: a mixed method study on features and behaviour change techniques.

2020 Sam Fullman (PhD student in Public Health, Fiji National University, Fiji)
Title: Optimizing leadership and governance in a Pacific health context – Fiji.

2020 Talica Koroigasagasa (PhD student in Public Health, Fiji National University, Fiji)
Title: Smoking cessation and its determinants among Fijian adults- application of Health Belief Model (HBM): a mixed method study

- 2020 Ledua Tamani (PhD student in Public Health, Fiji National University, Fiji)
Title: Strengthening the health information system for non-communicable disease and Diabetes control in Fiji.
- 2021 Shailin Swaran Mala (PhD student in Public Health, Fiji National University, Fiji)
Title: Health-related quality of life among type 2 diabetes mellitus patients in Fiji: a descriptive cross-cultural comparative study
- 2021 Faustina Aboboi (PhD student in Public Health Nursing, UNICAF)
Title: Exploring Lived Experiences of People Living with Hepatitis B and Its Impact on their Quality of Life in the Central Region of Ghana: A Phenomenological Qualitative Approach

Co-Supervisor- PhD Thesis (Ongoing)

- 2017 Azam Ghafouri (PhD student in Public Health, Tehran University of Medical Sciences, Iran)
Title: Group versus individual approach? The effectiveness of different behavioral change models on type-2 diabetes mellitus (T2DM) prevention among adults in Tehran, Iran.
- 2017 Peter Maima (PhD student in Public Health, Fiji National University, Fiji)
Title: Decentralized health workforce management in PNG health system: Outcome, process and administrative efficiency at Provincial Health Authority.
- 2018 Sabiha Khan (PhD student in Applied Epidemiology, University of South Pacific, Fiji)
Title: Quality of Life (QoL) of type 2 diabetes patients with amputation: A mixed method study.
- 2018 Kishan Kumar (PhD student in Health Services Management, Otago University)
Title: The workplace impact of long-term conditions (LTC) on nurses and midwives and their self-management strategies in Fiji Islands.
- 2018 Ditoga Kabukeinamala (PhD student in Public Health, University of South Pacific, Fiji)
Title: Sustainability of traditional Pacific diets and their impacts on the Food System and Health.
- 2019 Poulami Dasgupta (PhD student in Social Science, Gautam Buddha University, India)
Title: Role of Emotional Intelligence (EI) in the management of Eating Disorders (ED) – an intervention model in adolescents.
- 2019 Ambrose Gali (PhD student in Epidemiology, Queensland University of Technology, Australia)
Title: Healthy Setting Approach (HSA): A Tool to instigate Climate Change, Disaster Risk and Infectious Diseases (e.g. Malaria) reduction in rural Solomon Islands.
- 2019 Litia Makutu (PhD student in Health Management and Education, Fiji National University)
Title: Empowering women living in settlements in Fiji using sustainable health services: A mixed method study.
- 2020 Keresi Rokorua Bako (PhD student in Public Health, Otago University, New Zealand)
Title: Enhancing diabetes self-management in Fiji: A mixed method study with patients and health care providers.
- 2020 Shailin Gonelevu (PhD student in Public Health, Fiji National University)
Title: Quality of Life (QoL) among Type 2 Diabetes Mellitus Patients in Fiji: A Mixed Method Study.
- 2021 Rashidah Binti Mohd Yusoff (PhD in Nursing, University Teknologi Mara, Malaysia)
Title: The effectiveness of implementing discharge planning on geriatric patients with Hip fracture.

PhD Thesis Advisor (Completed)

- 2015 Nasser Alqahtani (PhD student in Nutrition, Flinders University)
Title: Prevalence and determinants of overweight and obesity among adolescents in urban and rural areas of Saudi Arabia.
- 2015 Hassan Alqahtani (PhD student in Computer Engineering, Flinders University)
Title: Exploration of Email SPAM, with a Focus on Its Effects and Mitigation in Saudi Arabia.
- 2015 Zakaria Elmojrab (DrPH student in Public Health, Flinders University)
Title: Perceptions and knowledge of overweight and obesity and their determinants among adolescent males in urban area of Riyadh region in Saudi Arabia: A mixed method study.

- 2015 Bader Alqahtani (PhD student in Public Health, Flinders University)
Title: Primary Healthcare in the Kingdom of Saudi Arabia: Challenges in Health System Reform.
- 2016 Majed Saeed Alhaj (PhD student in occupational Health, Cairo University, Egypt)
Title: Health hazards among workers in Aden (Yemen) Petroleum Refinery.
- 2018 Keshwa Nand Krishna (PhD students in Education, University of the South Pacific, Fiji)
Title: Food eating habits among the south Indians in Fiji.
- 2019 Mark Joeffrey H. Gutierrez (PhD student in Public Health, University of the Philippines Manila)
Title: Knowledge and attitude on breast cancer and breast self-examination among elementary public school teachers in central Aurora, Philippine

PhD Examiner

- 2018 Maggie Zgambo (PhD student in Nursing, Edith Cowan University, Australia)
Title: Socio-cultural context of HIV risk and sexual behaviors among youth living with HIV in Malawi.
- 2019 Abdulrahman AlQahtani (PhD student in Public Health, Curtin University)
Title: Knowledge, attitude and practice regarding type-2 diabetes mellitus (T2DM) among male patients in Riyadh, Saudi Arabia: a qualitative exploration.
- 2020 Basmah Alharbi (PhD student in Public Health, Queensland University of Technology)
Title: Young Saudi Women Beliefs Upon their Engagement in Physical Activity: A Mixed Method Study

Principal Supervisor- Master Thesis (Completed)

- 2016 Hetesh Chand (Master in Public Health, Fiji National University)
Title: Knowledge, Attitude and Practice (KAP) towards Dengue Fever prevention in Fiji.
- 2016 Antje Reiher (Master in Public Health, Fiji National University)
Title: Knowledge, Attitude and Practice (KAP) Study for Mothers of Malnourished children under 5 years old, on South Tarawa, Kiribati in 2015: A mixed-method study.
- 2016 Jay Dean Lincoln (Master in Public Health, Fiji National University)
Title: Knowledge, Attitudes and Practices of Family Planning in Women of Reproductive Age in Suva.
- 2017 Meeri Tekanene (Master in Public health, Fiji National University)
Title: Knowledge, attitude, and practice towards type 2 diabetes mellitus among adults age 18 and over attending in health care centers in South Tarawa, Kiribati, 2017.
- 2017 Pablo Romakin (Master in Public health, Fiji National University)
Title: Factors associated with glycaemic control among diabetes type 2 patients attending in health clinics in Suva, Fiji 2017: A mixed-method study.
- 2017 Devina Gaundan (Master in Health Services Management, Fiji National University)
Title: Work related Challenges and Opportunities faced by Intern Nurses at Labasa Hospital: A Qualitative Study.
- 2018 Salanieta Hawea (Master in Public health, Fiji National University)
Title: Social Determinants of Fruits and Vegetables Consumption in Children aged 6 months to 5 years old in the Nuffield Medical Area, Suva: A qualitative study.
- 2018 Sharan Ram (Master in Public Health, Fiji National University)
Title: Perceptions of teachers, parents and students regarding the delivery of Sexual and Reproductive Health (SRH) Education in secondary schools in Fiji, 2018: A Qualitative Study.
- 2018 Vimal Vikash Deo (Master in Health Services Management, Fiji National University)
Title: Measuring Service Quality at Valelevu Health Center General Outpatients Department (GOPD) Services: Using the Several Model.
- 2018 Alvis Zibrán (Master in Public Health, Fiji National University)
Title: Knowledge, attitude, and Practice of type 2 Diabetic patients with Chronic Renal (CR) impairment at Singatoka Hospital in 2018.

- 2018 Swastika Chandra (Master in Public health, Fiji National University)
Title: Doctor-Patient Trust: Its role in patient satisfaction and perceived quality of healthcare services in the Suva Sub-divisional health centres, Fiji – a cross-sectional mixed method study.
- 2019 Ashneeta Prasad (Master in Public Health, Fiji National University)
Title: Dental School- a challenge? The perception of dental students towards various learning environment in College of Medicine Nursing and Health Science, Fiji.
- 2019 Keresi Rokorua Bako (Master in Public Health, Fiji National University)
Title: Knowledge, attitude, and practice towards physical activity among health care workers in health care centers in Suva, Fiji, 2017.
- 2019 Avendra Prakash (Master in Public health, Fiji National University)
Title: Knowledge, attitude, and Practice towards physical activity among academic staff of college of Medicine, Fiji National University, 2018.
- 2019 Mohammed Imtishal (Master in Public health, Fiji National University)
Title: Knowledge, attitude and practice of family planning among pregnant women and their partners in Ba, Fiji: A mixed method study.
- 2019 James John Vula Pickering Kalougivaki (Master in Public Health, Fiji National University)
Title: Investigation of Intentional Homicides in Fiji from 2010 to 2017: A Mixed Method Study
- 2020 Latileta Leba Odrovakavula (Master in Public health, Fiji National University)
Title: Student Perceptions of Adolescent Wellness in Fiji Secondary Schools: A mixed method study.
- 2020 Aliti Kunatoga (Master in Epidemiology, Fiji National University)
Title: Epidemiology of Cervical Cancer among women attending in Oxfam Clinic for Pap smear test: A mixed method study.
- 2020 Avnit Avnil Kumar (Master in Public Health-NCD, Fiji National University)
Title: Factors Affecting Drug Non-compliance in Cardiac Patients at Sigatoka Hospital, 2019: A qualitative study.
- 2020 Jane Matanaicake-Lum (Master in Epidemiology, Fiji National University)

Training (Short Course)

- 2016 Health Promotion Planning and Evaluation. Monash University, Australia: 15-18 Nov. Completed.
- 2017 Bioethics Training. Organized by UNESCO in partnership with the University of Otago, New Zealand: 20-24 November. Completed.
- 2017 Prevention Strategies for Non-Communicable Diseases (NCDs). Deakin University, Australia: 14-18 March. Completed.
- 2017 Training and education for Workplace Health Promotion. Curtin University, Australia: 23-26 May. Completed.
- 2018 Future Directions for Comprehensive Public Health. University College Dublin (UCD). Dublin, Ireland: 12-16 March. Completed.
- 2019 Problem based learning, 27-28th June, Facilitated by the Memorial University, Canada. Completed.

Awards

- 2010 PhD scholarship by the Iranian Ministry of Health and Medical Education
- 2012 Flinders University Students Research Seed Grant (\$5000)
- 2013 Australian Population Association (APA) conference scholarship
- 2016 The best lecturer award, Teaching and Learning Committee, Fiji National University.
- 2016 Fiji National University conference fund (\$7000)
- 2017 Dean's Research Innovation award
- 2017 The "Best Article of the Issue", EC Psychology and Psychiatry (ECP).
 2017 Fiji National University professional development fund (\$7000)
- 2018 Best presentation award, World Conference on Nursing & Healthcare, Jun 25-26, Kala Lumpur, Malaysia.
- 2019 Fiji National University conference fund (\$8000)
- 2019 Top 10 reviewer award, Journal of Clinical Nursing, Wiley Online Library
