## JOYCE FERNANDEZ

Freelance Academic Editor

## EDUCATION

---

TKIET, Shivaji University (India): **Bachelor of Engineering (Chemical Engineering)**

## WORK EXPERIENCE

---

**Freelance Quality-Control Editor at The Charlesworth Group** (<https://www.charlesworth-group.com/>)

Since Jan 2020

I check the work of other editors to ensure that they adhere to the company's and journal's guidelines, and also make sure that manuscripts edited by them are up to the required standards.

**Freelance Editor (Materials Science and Chemical Engineering) at Oxford Science Editing Ltd.** (<https://www.oxfordscience.org/>), **Compuscript Limited** (<https://compuscript.com/>), and **Accdon LLC** (<https://www.accdon.com/>).

Since Jan 2020

I edit and format manuscripts from various fields, including materials science, nanotechnology, chemical engineering, and metallurgy.

**Associate Editor at Cactus Communications Ltd.**

(<https://www.cactusglobal.com/>)

Feb 2010 to Apr 2019

I worked as a full-time editor for over nine years. I edited manuscripts from a broad range of fields. I was also responsible for reviewing the work of new freelance and in-house editors, and for providing constructive feedback.

**Software Engineer at Infosys Technologies Ltd.**

(<https://www.infosys.com/>)

July 2008 to January 2010

I was part of a team that developed enterprise application software for our client British Telecom.

## **SKILLS**

---

I am an experienced academic editor with a successful career in the writing and editing industry.
