Work Experience

Language Analyst

Crimson AI Pvt. Ltd. (July 2021 - June 2022)

- Part of a small team that developed and maintained a grammar and spellchecking tool Trinka AI made for academic writing for ESL speakers. Conducted linguistic analysis and evaluation of text-output of various ML models, wrote logic rules for learner writing, did error analysis to resolve grammatical issues, and copyedited documents to prepare training data.

Academic Editing Reviewer (Medicine Team)

Cactus Communications (November 2019 - February 2020)

- Worked under tight deadlines to make sure the manuscripts reached the client after a final review and last minute-edits. I was also responsible for reviewing the performance of the editors.

Language Consultant

what3words (March 2019 - October 2019)

- what3words offers a simpler alternative to GPS coordinates by employing a combination of 3 words to locate any place on the globe. I worked as a language consultant for their Gujarati map.

Content Writer and Sub-Editor

SkillSphere Education (May 2017 - June 2017)

- Worked on the 'Global Jigaysa' project and wrote research-based academic articles, mainly on political science.
- Collaborated with a team of 5 people who worked with me to finalize topics and write articles every week. I was responsible for editing, maintaining the quality of content, language, and references.

Intern Content Writer

Womens' Web (July 2016- August 2016)

- Wrote articles for womensweb.in in collaboration with the editor.

Academic Profile

- Worked as a Research Assistant and Language Consultant in IIT Madras from June 2021 to September 2021.
- Completed MA in Linguistics from Jawaharlal Nehru University, New Delhi with 8.64 CGPA. (2019-2021)
- All India Rank 3 in GATE 2021 in Linguistics.
- UGC-NET Linguistics qualified in June 2020.
- Completed BA Hons in English with 7.9 CGPA from Maharaja Sayajirao University, Vadodara. (2016-2019)
- Completed 12th grade in GSEB board in Science stream (Physics, Mathematics, Chemistry) in 2015 with 83.69% from Mira School, Vadodara, Gujarat.
- Completed 10th grade in GSEB board in 2013 with 91.83% from Mira School, Vadodara, Gujarat.

Key skills

- Editing and proofreading
- Content writing and copywriting
- Well-versed with conventions of scientific writing and various style-guides.
- Linguistic Analysis (Phonological, Morphological, Syntactic, Pragmatic)
- Problem solving and analytical comprehension.
