## PROFILE

*Experienced and skilled translator with a proven track record of delivering high-quality translations between English, Amharic, and Tigrinya. I offer a deep understanding of the nuances and complexities of each language.*

*With six years of freelance translation experience, I have successfully translated a diverse range of documents, including marketing materials, technical manuals, legal documents, life science, clinical research, patient-facing documents, pharmacology, labeling, and news articles. My expertise in translation software and tools ensures efficient and accurate delivery of projects.*

*Dedicated to providing exceptional translation services, I am committed to meeting deadlines and exceeding client expectations. My passion for language and culture drives me to continuously seek new challenges and contribute to the success of your company.*
