I have experience as a videogame tester too.

Localization

As an in-house translator in a localization company I translated for 3 years for BlackBerry, McAfee, Symantec, Adobe, Logitech, Kaspersky, BMC and Domino, among others. In addition to that, I was appointed transcreation specialist and fashion translator in a team dedicated to Burberry. I also have experience in pre and post-editing for machine translation.

Comic books

Animosity 2 (Planeta Comics - 2019)
