Work Experience

Translation

2006 to present Freelance Translating

German-English, French-English, Spanish-English

Specializing in texts in the social sciences and humanities, including political science, international politics, history, and philosophy. Clients have included academics, NGOs, agencies, and leading American and European news publications such as *The Wall Street Journal*, *The New Republic* and *Die Weltwoche* (Switzerland).

2007-2008: Translation Series Editor
World Politics Review (news site)

Created and ran the *World Politics Review* translation series, consisting of translated news and analysis from European news publications. Arranged for dozens of translations (up to five per week) from over twenty different major European news sources. Selected articles, conducted editorial correspondence with source publications and authors, translated from German and French, and supervised and edited translations from other languages.

Journalism

2003 to present: Freelance writing on international politics and transatlantic security issues.

Contributor to publications like *World Affairs*, *Al-Monitor*, *Policy Review*, *Les Temps Modernes*, and *Die Weltwoche*, as well as numerous online media.

2012-2013: Research and writing of book on 2011 war in Libya. Published in March 2013.

The Jihadist Plot: The Untold Story of Al-Qaeda and the Libyan Rebellion (New York: Encounter Books, 2013).

2007-2008: Contributing Editor, Europe
World Politics Review

Covered French, German and EU politics.
